All staff is required to provide proof of their clean criminal & child abuse history. Most churches require this in order to volunteer within their children's ministries.

Therefore, this is typically done by the church. According to the state of Pennsylvania, your clearances must have been done within the past 24 months

If no clearances have been done, **by your church**, and you would still like to participate in camp, please contact us to discuss it further.

We will also check your references once your application is received.
