

NORTHEAST DISTRICT PASTORS AND FAMILIES COUNSELING DIRECTORY

The following counselors are listed according to geographical Network locations throughout the district. They are available to you and your immediate family for confidential, professional, Christ-centered counseling.

- * If an approved counselor is not listed within driving distance of your location, I will work with you to provide another option. Please call me. Our conversations are confidential, and you may contact me anytime.

Rev. Phyllis Isaac
Northeast District Director of Clergy Care
Email: phyllgenise@msn.com
Cell: 201-344-3086

Please note:

1. Contact the counseling office directly to schedule an appointment. Identify yourself by name and the church where you pastor.
2. If you **do not** have insurance coverage, our district will cover the costs up to four sessions per family member. If **you do** have insurance, many of our counselors are able to collect. If that happens, district money will be used to pay for the deductible and co-pay expenses.
3. The counselor will submit an invoice to the District Center. The invoice will list a client "*number*" and **NOT** your "*name*" for payment. No one in the district will know you have accessed counseling services.
4. I am willing to help you connect with a counseling service (for any reason you may have). What we do together will remain **confidential**. No counselor may contact me without your PERMISSION. *That is prohibited*. Your counseling is **CONFIDENTIAL**.
5. Teletherapy Services: Most counselors provide video conferencing services to their clients. This may be helpful if a provider is not located near you. You may call them directly to see if teletherapy services are provided.
